MYSORE DIVISION.

Dated 5th June 1929.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Mysore Division, up to 3 P.M., 1st July 1929, for Restoring Kuligere Doddakere Major Tank, Malavalli Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of May 1930.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Mysore Division, Mysore, between the hours of 11 A.M. to 5 P.M. on office days.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 250 (Two hundredand fifty) in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for Restoring Kuligere, Doddakere, Major Tank, Malvalli Taluk," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates should be quoted for each item of work.

The last date for receiving tender is 25th June 1929, till 3 P.M."

B. KRISHNA RAO,
Executive Engineer.

MYSORE RAILWAYS, MYSORE.

MYSORE DIVISION (OPEN LINES).

Notification sealed dated 8th June 1929.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Open Line Division, Mysore Railways, Mysore, any day up to 2 P.M. of the 29th June1929, from contractors who are willing to undertake the construction of Compound wall to Staff Quarters in Vontikoppal Railway Colony, Mysore.

2. Every tender should be accompanied by an earnest money of Rs. 100 which can be paid either in currency notes to the Executive Engineer, Mysore Railways, Mysore, along with the tender or can be paid to the Auditor, Mysore Railways, Mysore, and the receipt thereof enclosed along with the tender. Such of the tenderers who pay the amount to the Auditor should advice him that the amount is paid on account of a tender for the construction of Compound wall to Staff quarters in Vontikoppal Railway Colony, Mysore.

(*a*) Tenders should be submitted in special forms which can be obtained from the Executive Engineer, Mysore Railways, Mysore, on payment of rupee one.

3. The earnest money of the unsuccessful tenderers will be returned as soon as possible after the tenders are disposed of.

4. Tenders which are not accompanied with the earnest money specified in para 2, will not be considered.

5. The successful tenderer should execute within a week from the date of notification of acceptance of his tender, the usual Railway Schedule Agreement. Failure to comply with this condition will render the tenderer liable for forfeiture of the earnest money.

6. The name of the accepted tenderor will be posted on the Notice Board of the Executive Engineer's Office. No enquiries regarding the acceptance or rejection of a tender will be replied.

7. The final acceptance of the tender will rest with the Engineer-in-Chief, Mysore Railways, Mysore, who does not bind himself to accept the lowest or any tender and who further reserves to himself the right to reject, without assigning any reasons therefor, any or all the tenders.

8. Work should be started within a week from the date of acceptance of tender, and a uniform monthly rate of progress should be guaranteed. The work agreed on should be completed in five months from date of starting. The accompanying schedule gives the approximate quantity of works and this quantity is not guaranteed. The specification for the work is also attached.

9. The time limit specified in para 8 should be strictly adhered to and any violation of this will render the contractor liable to forfeit his 5 per cent deposit amount under Clause No. 10 of the Schedule Agreement, not as a penalty but as ascertained and liquidated damages recoverable accordingly.

10. Plans and specifications and other details of work to be done are available for inspection, in the Executive Engineer's Office, Mysore Railways, Mysore, where intending tenderers may call and obtain required information during office hours.

11. In all matters of dispute regarding rates, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Engineer-in-Chief, will be final and legally binding.

Specification—Dimensions.

Foundation.—One foot depth of masonry of burnt brick in prepared mud, 1 1/8 feet wide.

Superstructure.—Is of 9" wall of burnt brick in prepared mud to a height of 2¾ feet above ground level.

Coping.—Over the wall is to be of burnt brick in mortar 6" high and 1 1/8 feet wide at the base and plastered with mortar.

There are pilasters at ten feet centres 1 1/8 feet square.

The whole wall both sides inclusive of half the depth of foundation below the ground level should be plastered with mortar.
